Perform (6 & 7):

Mon. 2/13/12

@ 12:30 PM

Bethel College Visit (7 & 8):

Wed. 2/15/12

@ 1:30 PM

Winter is an exciting time for AVID at Keewaydin! We have many special events and field trips happening right now and in the near future.

Guest speakers in December have included:

- Travis Jerome and Kyle Weber, founders of Just Kidding Clothing
- Stephen Green, international business exec. from General Mills
- Dale Borgensen, electrical engineer at Emerson Company
- Denise Vogstrom, freshman student at Winona State University
- Two former Keewaydin students who currently attend Roosevelt HS and South HS to talk about adjusting to high school.

If you have an idea for a guest speaker, please let us know (see bottom of page).

What's next for AVID?

AVID Family Night:

Meet our AVID Tutors, learn strategies for success, and Q&A with Ms. Hudson. All families are encouraged to attend this fun evening. Dinner provided by Fat Lorenzo's. Bring the whole family!

AVID 6, 7 and 8 will also be visiting the Ordway Theater on February 13th!

Also beginning in January, 7th and 8th grade AVID students will begin college visits to MCTC and Bethel College. All students will also be visiting Augsburg College, College of Visual Arts, MCAD and/or Concordia. Stay tuned for more dates!

TRF's

Every weekend your student has homework: complete the whole front side of a TRF worksheet before Monday's class. Tutorial grades suffer when it's not done!

How can you help out?

If you would like to chaperone any AVID events (see Upcoming Events box at left) or AVID Club (Mondays 4:10-5:10 PM), please contact Lisa Hudson using the information below.

You can also help your student succeed by checking his/her Planner every night for homework in all their classes. On weekends, make sure your student completes the front side of their TRF worksheet to be prepared for Tutorials on Monday!

Questions? Comments? Feedback? Contact AVID Coordinator Lisa Hudson: lisa.hudson@mpls.k12.mn.us or 668-4670.
